EXPERIENCE

FYTP Mentor

University of the Western Cape: Part-time

Feb 2026 - Present

First Year Transition Programme (FYTP) Mentor

Assisting first-year university students in adapting to academic and campus life by providing peer mentorship, academic guidance, and social support. Facilitating mentoring sessions, connected students with campus support services, and helping foster a positive and inclusive learning environment. Developing leadership, communication, problem-solving, and student engagement skills while contributing to student success and retention initiatives.

Full Stack Web Development Intern

Future Interns

May 2026 – June 2026

- Built responsive web applications and portfolio projects using HTML, CSS, and JavaScript.
 - Worked with GitHub and VS Code to manage project development and version control.
 - Applied frontend development principles to create user-friendly and responsive interfaces.
 - Strengthened practical web development and problem-solving skills through project-based learning.
-

Business Analysis Group Project

University Project

- Collaborated in a team to propose a digital solution for a local business affected by the COVID-19 pandemic.
 - Applied Business Analysis concepts, including SDLC, use case diagrams, class diagrams, and business process analysis.
 - Analysed business challenges and proposed technology-driven improvements.
 - Developed teamwork, communication, and analytical problem-solving skills.
-

PROJECTS

iPhone Reseller Website

- Designed and developed a responsive product-focused website for showcasing and promoting iPhone devices.
- Created structured product sections, modern layouts, and user-friendly navigation.
- Applied HTML and CSS to build visually appealing and responsive web pages.

- Strengthened frontend development and UI design skills through practical implementation.

GitHub Repository: <https://github.com/Andile-N/html-css-website-project>

Personal Portfolio Website

- Designed and developed a responsive personal portfolio website.
- Structured professional sections including About Skills, Projects, Experience, and Contact.
- Implemented responsive layouts and modern UI styling using HTML and CSS.
- Integrated GitHub version control and a functional contact form.

GitHub Repository: https://github.com/Andile-N/FUTURE_FS_01
